

# Submission Specifications

## Stretched Canvas / Canvas Board

Artblok artwork specifications:

- Save vector images (usually Illustrator files) as .eps files.
- Save raster images (any scanned artwork or photographs) as .tif files.
- All raster images must be at least 300 dpi at the size we are printing.
- All files need to be in color-corrected CMYK color mode.
- Convert all text to outlines or send us the fonts.

File Delivery:

- Send files via e-mail to [graphics@artblok.com](mailto:graphics@artblok.com), on a CD, DVD, or floppy disk or we can arrange for an upload on our ftp site.
- Stuff or zip all files if e-mailing or uploading.
- Please submit a hard copy of each of your files with your order. This should be a high quality output that represents the color that you want in the finished piece.
